Introduction

The Toledo Area Artists 77th Annual exhibition features work by some of the best artists in 17 counties of northwest Ohio and southeast Michigan. The Toledo Federation of Art Societies welcomes the members of the Tile Club of Toledo whose work is being shown concurrently in the exhibition *A Century at the Tile Club*.

I would like to express my gratitude to Dr. David Steadman, Steve Frushour, Steve Nowak and the rest of the Museum staff who contribute their time and effort to bring you a new and dramatically different show each year. My thanks goes also to the Federation members for their generous efforts in each of their respective committees. A very special thank you is extended as well to our local sponsors and patrons whose contributions to the Toledo Area Artists exhibition are sincerely appreciated.

The jurors selected a well thought out exhibition from the many works of art that were submitted this year. The growing success of the Toledo Area Artists exhibition is assured with the continued efforts by the Museum, the Federation Clubs, all of our sponsors, and the new artists who join the ranks of those who have shown before.
